

CONTINENTAL PRIME

Vintage charm, redefined

The 21st-century update of Jaquar's bestselling Continental Collection takes inspiration from Zen design principles to create balance, harmony and a sense of peace with a minimalist approach.

Continental Prime.
A vintage shape reborn
with a contemporary
sensibility.

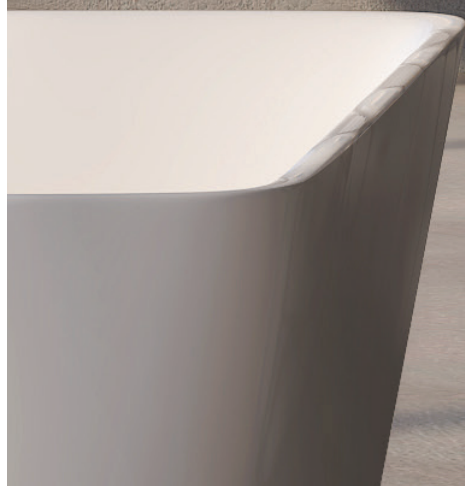

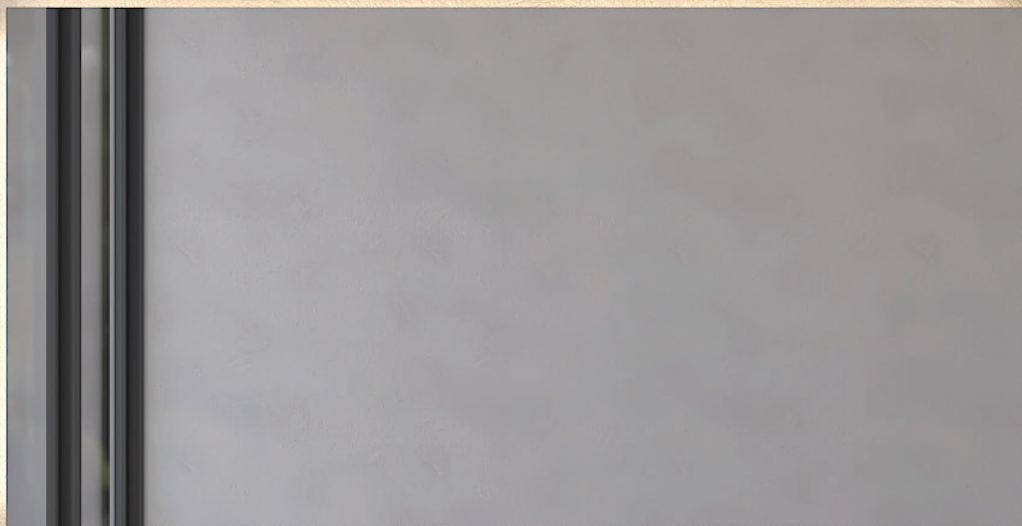

A modern makeover
designed by the award-winning
Michael Foley.

Clean lines, angular surfaces
and finely crafted facets make
it a perfect fit for charismatic &
classic interiors.

A complete collection
that adds a sense of calm to your bathroom.

A classic shape reborn with a
contemporary sensibility that emanates
peace and serenity.

A timeless makeover engineered
with superior functionality.
