

SHOWER PANELS

Jaquar's Shower Panels make showering much more convenient, since they can offer all the capabilities of a shower stall, even in a small bathroom, with body shower jets, hand showers, a convenient shelf for your shampoo and shower gel, and of course an overhead rain shower. Easy to install, Jaquar Shower Panels are a great way to increase the functionality of your existing shower area, as they can fit neatly on to the wall via their wall bars.

Why Jaquar Shower Panel?

Jaquar's shower panels make showering much more convenient, since they are almost like shower stalls, and fit even in a small bathroom. Jaquar shower panels are an easy way to increase the functionality of your existing shower area, as they can fit neatly on to the wall via their wall bars.

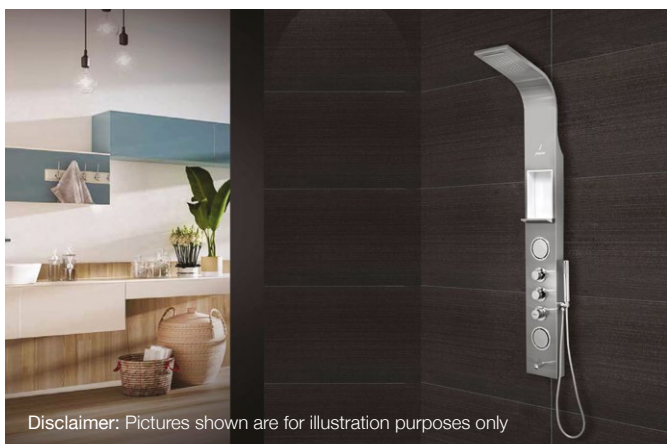

Versatility

Instead of using a single shower head, many shower panels are available with multiple water outputs.

Easy to Install

Minimum civil work is required to install shower panels. It can be fixed into the existing pipeline
