

Introducing
Queen's Prime

Conceived back in 1960, the Jaquar Group has been built on the platform of the highest quality standards, aesthetics and the intent of providing world-class products. Today, the Jaquar Group caters to luxury, premium and value bathroom segments with Artize, Jaquar & Essco brands, respectively, for residential and commercial sectors across the globe. The group's lighting division, Jaquar Lighting too, has been setting new parameters of excellence while witnessing unprecedented success.

A MAJESTIC LEGACY

The Queen's range of bathroom solutions from Jaquar epitomises royal characteristics. From the time this distinctive range was born in our design centre, in 1993, it was destined to rule. Winning hearts in the faucets category across India, this hugely popular range from Jaquar has been the unanimous choice of those who sought a royal aura for their opulent bath spaces.

REGAL ELEGANCE FOR A NEW ERA

Designed to evoke the regal elegance of the Victorian era, the original form of the Queen's range has now been updated for the modern era with graceful lines and a sleek, slender, updated silhouette.

A CLASSIC BECOMES
CONTEMPORARY.

EVOLVED STYLING THAT RETAINS
